Nature

Draw a line from the word to the picture.

BUTTERFLY

LEAVES

TREE

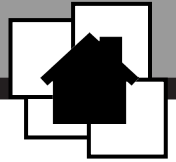

FLOWER

Litter

I always put my garbage in a garbage can and
I never litter by throwing it on the ground.

The 3 R's

Reduce: Only take what you can use.

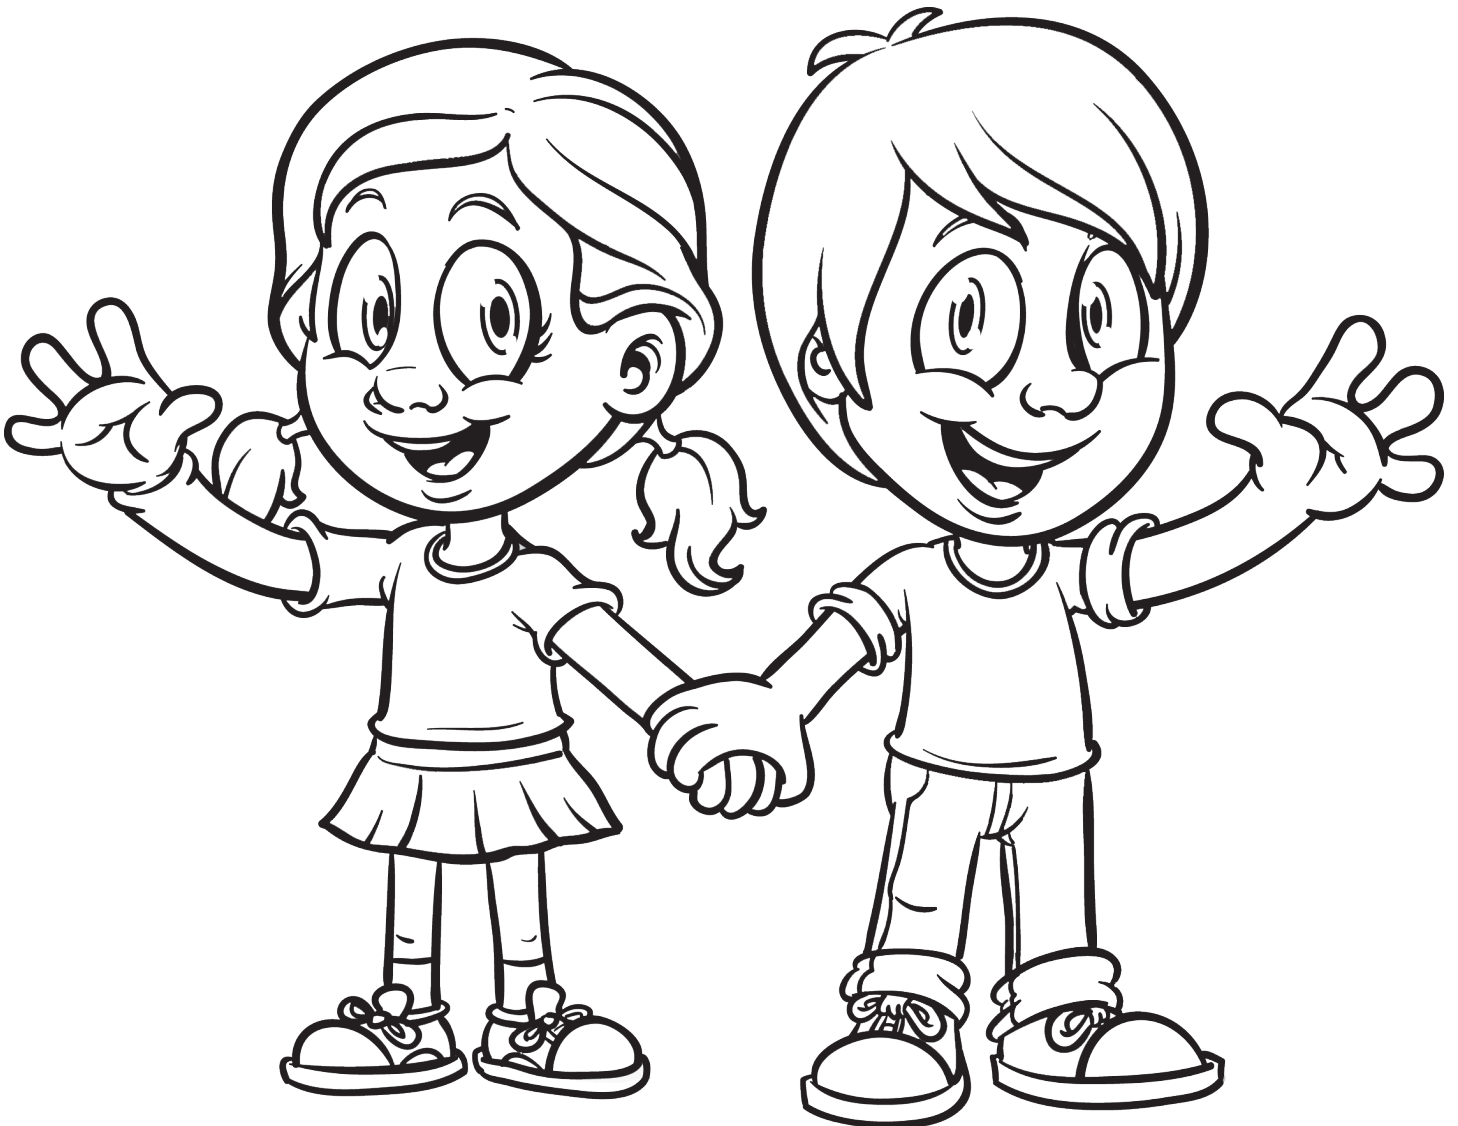

Reuse: Find new uses for things you usually throw away in the garbage.

Recycle: If you can not think of a way to reuse something, then see if it can be recycled before you put it in the garbage can.

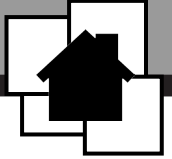

Friends

Friends help make our neighborhoods fun.
Together with our friends we can help keep our neighborhoods
and our city clean and beautiful!
